PROFILE

Driven CS student pursuing B.Sc (Hons.) Data Science & AI from IIT Guwahati alongside B.Tech (CSE). Passionate about Generative AI, Machine Learning, and Data Science with hands-on internship experience in AI research and model optimization. Backed by 12+ industry-recognized certifications from Oracle, Vanderbilt University, Macquarie University, and other leading institutions.

EDUCATION

Degree/Certificate	Institute/Board	Status	Year
B.Sc (Hons.) Data Science & AI	Indian Institute of Technology, Guwahati	Ongoing	2023–Present
B.Tech (CSE)	Pt. L.R College of Technology	Ongoing	2023–Present
Class XII (CBSE)	Tagore Public School	Completed	2023

EXPERIENCE

National Institute of Technology Silchar <i>Research Intern</i> – Conducting research in Information Retrieval and Machine Learning. – Working on AI-driven solutions and model experimentation. – Collaborating with researchers on data analysis and optimization.	<i>Mar 2026 – Present</i> Silchar, Assam, India
Qoherenz <i>AI Research Intern</i> – Developed, tested, and optimized AI models for real-world deployment. – Collaborated with cross-functional teams on research and iterative improvements. – Applied analytical insights to identify model weaknesses and improve performance.	<i>Oct 2025 – Mar 2026</i> Remote

TECHNICAL SKILLS

- Languages:** Python, C, C++, Java (Basic)
- AI & ML:** Generative AI, Prompt Engineering, Machine Learning, Data Analysis, Data Visualization
- Core CS:** Data Structures & Algorithms, DBMS, OOPs, Operating Systems, Computer Networks
- Web:** HTML, CSS, JavaScript
- Tools & Platforms:** Git, VS Code, Jupyter Notebook, Google Colab

CERTIFICATIONS

•Generative AI Professional, Oracle	2025
•Data Science Professional, Oracle	2025
•AI Foundations Associate, Oracle	2025
•Prompt Engineering Specialization, Vanderbilt University	2025
•Cyber Security: Data & Identity Security, Macquarie University	2025
•Data Analysis with Python, University of Colorado Boulder	2025
•Data Management and Visualization, Wesleyan University	2025
•Google Analytics, Coursera	2025
•AI Internship Program, Agnirva Learning Network	2025
•Web Development Internship, Agnirva Learning Network	2025
•Internship Program 2025, Qoherenz / ULSA	2025
•Campus Ambassador, GUESSS India	2025

ACHIEVEMENTS

•Research Internship, National Institute of Technology Silchar	2026–Present
•12+ Industry Certifications, AI, Generative AI, Data Science & Cybersecurity	2025
•AI Research & Web Development Internships, Qoherenz and Agnirva Learning Network	2025
•Data-Driven AI Improvement, Applied analytical and visualization techniques to improve AI model performance	2025
